## Outdoor Laser Tagging

- ✓ **No pain, no bruises, no mess and no fear....just pure fun and learning**
- ✓ **No bulky and stuffy masks and protective gear**
- ✓ **We use infrared technology and totally safe**
- ✓ **Learning through self-discovery**
- ✓ **Lessons in teambuilding, business strategy, leadership, decision-making, communication, conflict resolution, cooperation and mutual support**
- ✓ **Longer playing time (at least 30 min) and thus more learning opportunities**
- ✓ **Expert training consultants for debriefing to bring the message home**

"Unlike paintball guns or airsoft guns, our Corporate Soldiers™ laser taggers shoot high-powered infrared 'bullets'"
